Dear Andrea:

As I suspected, some quirks in the new Aristotle software caused State receipts to show up on both State and Federal reports. The receipts which were deposited and reported to the State of Wisconsin Elections Board are as follows:

1. Herb Kohl, Page 19, for line 11(a)(i),\$5000
2. Herb Kohl, Page 19, for line 11(a)(i),\$1260
3. Ian Cumming, Page 23, for line 11(a)(i),\$10000

I have enclosed copies of our State report to show these entries. These funds should be disregarded as Federal Entries. The difference created in line 11(a)(i) are membership receipts that belong in line 11(a)(ii) unitarized contributions. The corrected pages and subtotals are attached.

The Feingold receipt on page 1 for line 11(c) for \$4000 and the page 2, line 11(c) Feingold receipt for \$5000 are indeed excess funds and the corrected pages are attached.

We are in the process of obtaining the occupations and employers that were missing for the individual contributions over \$200. We will forward this additional information and "best efforts" within 15 days.

The H4 pages correcting the identifying titles are corrected and attached.

The notes for future returns are duly noted.

Also attached is a corrected copy of the detailed summary page reflecting any changes noted in this letter.

If there are any questions concerning these corrections please contact me by leaving a message at my home phone 608-838-0200.

Thank you,

Tom Klement

DEC 15 1999

Reference: Mid-Year Report (1/1/99-6/30/99)

Dear Ms. McGuigan:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(d) preclude a committee and its affiliates from receiving contributions from another political committee or person in excess of \$5,000 per calendar year.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeded the limits, you must seek reattribution of the contribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all reattributions, transfers-out, and refunds should be made within sixty days of the treasurer's receipt of the contribution(s). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of granting written authorization for a reattribution or transfer-out to another account or receiving a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund.

refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

-You must attempt to obtain the full name, mailing address, occupation and name of employer for all individuals who contribute more than \$200 in a calendar year. Please amend your report to include the omitted information.

A committee may establish "best efforts" by providing the Commission with a description of its procedures for requesting the information. It is also in the best interests of the committee to provide a copy of its solicitation. In order to establish "best efforts", the committee must demonstrate that it makes at least one request for the information after the contribution is received. This one request must be made for any solicited or unsolicited contribution that, in the aggregate, exceeds the \$200 threshold and lacks the necessary information.

Each solicitation must include a clear and conspicuous request for the information. If a committee receives a contribution that, in the aggregate, exceeds the \$200 threshold but lacks contributor information, the committee must, within 30 days, make a written or oral request for the information. Please note that a written request may not include an additional solicitation or material on any other subject, other than thanking the contributor for the donation, and must include a pre-addressed return post card or envelope for the contributor's response. An oral request must be documented in writing. Committees must also disclose information that was not provided by the contributor, but is available in any of the committee's records for that current election cycle.

If a committee receives contributor information after the contributions have been reported, the committee shall either a) file with its next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before its next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.3(a)(4)(i) and 11

CFR § 104.7)

-There appears to be a discrepancy between Schedules H2 and H4 concerning the unique identifying titles or codes for "Hillary Visit" and "Jefferson Jackson Event." Please note that the unique identifying title or code should be the same on both Schedules. Please amend your report to clarify this discrepancy.

-Schedule H4 of your report discloses activity which is 100% federal. For future reporting, please be advised that any activity which is financed entirely by the federal account (including administrative expenses), should be reported on Schedule B supporting Line 21(b). 11 CFR §106.5

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions to non-federal candidates/committees should be properly disclosed on a separate Schedule B (if applicable), supporting Line 29 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.

Sincerely,

Andrea Wilkens
